

19. BURWOOD CHRISTIAN CENTRE CHURCH

The Community Development Adviser requested funding support for the Burwood Christian Centre Church towards completion of its new youth centre facility. It was **resolved:**

1. That the Church's request, supporting documentation and the report be received.
2. That the sum of \$1,500 be allocated from the Board's 2000/01 Discretionary fund to the skate area.
3. That this project also be referred to the Council's Major Funding Committee for further consideration.

[Note: The Board indicated an intention to consider the relative priorities of this and two other projects at its November meeting, prior to referral to the Major Funding Committee.]
