

18. YOUTH WORKERS/YOUTH AGENCIES WORKING IN BURWOOD/PEGASUS

The Community Development Adviser reported on the youth worker meetings held during August 2000 and some options in exploring the possibilities of establishing ongoing opportunities of dialogue between the Board and young people. It was **resolved:**

1. That the report be received.
2. That a Youth Development Subcommittee be established, consisting of the Chairperson, Glenda Burt and Caroline Kellaway, to consider suggestions 1 to 13 in the report and report back with recommendations to the 20 November 2000 Board meeting.
