

7. **STRIKING A BETTER BALANCE: A HEALTH FUNDING RESPONSE TO REDUCING INEQUALITIES IN HEALTH**

The Committee considered a report from Mary Richardson, Senior Social Policy Analyst, informing the Committee of a paper by the Health Funding Authority called “Striking a Better Balance: A Health Funding Response to Reducing Inequalities in Health”. The report summarised the paper.

The Committee **decided**:

1. To receive the information.
2. To endorse the “Striking a Better Balance” paper and the objectives proposed in the paper.
