

4. **DYERS ROAD/LINWOOD AVENUE INTERSECTION UPGRADE**

The Board considered a report seeking feedback regarding the Capital Works proposed for the intersection of Dyers Road and Linwood Avenue. This proposal was to replace the existing roundabout in Linwood Avenue with traffic signals.

The Board **decided:**

1. To receive the information.
2. To support the proposed installation of traffic signals at the intersection of Dyers Road and Linwood Avenue.
3. To request the Transport Planning Engineer to consider in the planning process the moving of the carriageway of Dyers Road between Linwood Avenue and Ferry Road to the west in order to provide the benefit of reduced vibration and noise to the residents of the Brookhaven area.
4. To request that the proposed cycle lane be separated from the road carriageway.
