

## 12. TI RAKAU DRIVE – BUS STOPS

The Board considered a report seeking approval for the installation of a bus stop in Ti Rakau Drive. The Board had earlier heard submissions from Mr Kelly Wood expressing concerns at the proposed location of this bus stop immediately outside his residential property.

The Board **resolved:**

1. That there be a further investigation of possible locations for this bus stop in Ti Rakau Drive between Kotuku Crescent and Charlesworth Street.
2. That a subcommittee be appointed to deal with this matter and be empowered to make a decision on the location of the bus stop.
3. That the subcommittee comprise Bob Todd, Aaron O'Brien and Anna Crighton.
4. That Mr Kelly Wood be advised of the outcome of this matter.
