

6. WATERWAYS AND WETLANDS CAPITAL WORKS PROGRESS REPORT

The Board was in receipt of the schedule of capital projects to be undertaken this financial year, sited within the Riccarton and Wigram wards.

Nearly \$1,000,000 was programmed over 23 locations, ranging from minor planting and enhancement to major property purchases for major stream protection.

Various issues were raised and would be reported on by Mr Chris Rance who was in attendance on behalf of the Water Services Unit.

The Board **received** the information.
