

5. **CHANGE OF LEASED AREA FOR REDWOOD COMMUNITY CRECHE ON REDWOOD PARK**

Rod Whearty, Area Parks Officer reported, seeking comment on a proposal to change the area leased to the Redwood Community Creche on Redwood Park, prior to the matter being considered by the Parks and Recreation Committee, for recommendation to Council. An amendment was made to the report deleting the comment that the Creche had funding to upgrade its equipment. This was not correct.

The Board **decided** to recommend to the Parks and Recreation Committee that the Redwood Community Creche be granted a new lease area covering 746 square metres or thereabouts on RS41271 Local Purpose Reserve (Community Buildings) being part of Redwood Park under Section 61 (2A)a of the Reserves Act, subject to the conditions set out in the report.
