

2. DEPUTATIONS BY APPOINTMENT

(c) Community Police Report

Constable Megan Evans from the Papanui Police Station reported to the Board regarding statistics for the month of August in the area. Constable Evans was asked if the police targeted young drivers on a learner licence with passengers in the car, as Board members had received expressions of concern from local business people about this. Constable Evans responded that she would take the Board's concerns back to the Papanui Police.
