

4. NEIGHBOURHOOD WEEK 2000

A meeting of the Neighbourhood Week Joint Committee held on 13 September 2000 was outlined in a report. The flier to go out to Neighbourhood Support Groups was circulated.

The Board **decided:**

1. That the information be received.
2. That the Board meet with Police to discuss projects to involve Neighbourhood Support Groups as described by Jacqui Goodwin at her presentation in the Town Hall.
3. That Board members consider ways of involving tenants of the Council housing units during Neighbourhood Week, including holding barbeques in those areas.
