

20. REALLOCATION OF FUNDS - PARKS AND WATER SERVICES BUDGETS YACHT CLUB RESERVE - EROSION PROTECTION

The Yacht Club Reserves Subcommittee reported, recommending that the project reallocations identified by the Parks Manager and Water Services Manager, totalling \$127,000, be approved to fund the erosion remedial work at the Yacht Club Reserve.

Assurances were given by staff that the reallocations would not significantly affect current work programmes.

The Committee **resolved** that the project reallocations recommended by the Yacht Club Reserve Subcommittee be approved.
