

## 11. COASTAL PARKS STRATEGY 2000-2005

This report, submitted by the Coast Care Co-ordinator, informed the Board of the Coastal Strategy document which the Parks Unit plans to release for public comment.

The Board **decided**:

1. That the production and distribution of the brochure for further public consultation be supported.
2. That the Parks Unit be requested to consider an increase in funding of \$1M over 10 years for the proposed implementation of some of the projects listed.
