

2. DEPUTATIONS BY APPOINTMENT

2.1 B PACIFIC

A deputation from B Pacific, comprising Pauline Lefutu Simpson (Community Development Worker from the Linwood Resource Office) and Marcus Vanilau (Linwood High School), requested funding of \$870 for holiday programme workshops to be held at the Linwood High School. The Board's decision is recorded under Part C, clause 21.1 of this report.

It was noted that the focus of the workshops would be on providing alternative career options, and it was envisaged the holiday programmes would be followed up by a further programme to continue the momentum. The programme would be seen as a means of primary intervention, and would be documented on film. The Board would receive reports on progress, should it agree to fund this proposal.
