

9. RECREATION AND SPORT STRATEGY FOR CHRISTCHURCH

This report, from the Team Leader Leisure Planning, sought the Board's input into the process to develop a Recreation and Sport Strategy for Christchurch by considering and providing feedback on the Discussion Document Summary, which had been circulated separately.

The Board **decided** that a Subcommittee comprising Chrissie Williams, Caroline Kellaway, Carole Evans, Glenda Burt and David Dobbie consider the Recreation and Sport Strategy for Christchurch, in conjunction with Council officers, and respond to and provide feedback to the Team Leader Leisure Planning, by the end of September 2000.
