

## 19. THE EASTERN ORBITER – BUS STOP CHANGES

The Committee considered a report from Andrew Hensley, Assistant Planner, on the proposed bus stop changes resulting from the extension of the Orbiter bus service. A copy of the report had been considered by the Shirley/Papanui and Spreydon/Heathcote Community Boards who had confirmed their support for the recommendations.

The Committee **decided**:

1. That the report should be referred to the Bus Stops and Shelters Subcommittee to consider:
  - (a) Whether the Committee should support, or alternatively seek changes, to the route.
  - (b) The bus stops which may be required.
2. That the Subcommittee report direct to the September meeting of the Council.
