

## 12. PARKS CAPITAL WORKS PROGRAMME 2000/01

A progress report as at 31 August was submitted on parks capital projects in the Board's area.

Mention was made of the proposal by the Christchurch Cathedral to provide a columbarium and staff were asked to report on such provision at the Council's cemeteries and in particular, those located in the Board's area.

Staff were also asked to submit to the Works and Traffic Safety Committee, details of the proposed landscaping to be undertaken at the skatepark facility at Jellie Park.

The information in the report was **received**.
