

13. BEVERLEY PARK HERITAGE ROSE GARDEN

The Board considered a report outlining the recent developments with the Heritage Rose Garden in Beverley Park and the consultation undertaken on this project. The report also referred to the proposed native garden and to the consultation with local iwi which is to take place.

The Board **received** the information and asked the Area Parks Officer to consult with the Englefield Residents' Group to ensure that continuing progress is made on the consultation process over the native garden.
