5.1 CANSAIL CHARITABLE TRUST

Ms Dianne Monk, Secretary-Trustee of the Cansail Charitable Trust, outlined the activities of this Trust, which seeks to instil some of the basic elements of life skills to children. The Trust raises funds and provides “hands on” sailing experiences for young people in Canterbury, with particular emphasis on youth development. The Trust aims to provide 2000 children in the Canterbury area with an opportunity to sail and endeavours to service communities with rural and social isolation and in low socio-economic areas.

Ms Monk advised that the Pacifica Shipping Line has offered to help with a return trip to Wellington for the winning children.
