

7. FERRY ROAD – BUS STOP

The Board considered a report seeking a recommendation to the Council that the bus stop in Ferry Road at Charlesworth Street be repositioned as part of the extension of the Woolston bus route through the Brookhaven subdivision.

After considering the submissions made on the location of this bus stop by Mr Craig Smith, a resident adjoining the proposed new location of the bus stop, the Board **decided** that the Area Engineer be asked to consult further and to seek another location for this bus stop.
