

27. PROPOSED NEW RIGHT OF WAY NAME

The Board considered a report seeking approval for the naming of a right of way.

At its meeting on 5 July 2000, the Board had approved the name Aspiring Lane for a right of way at 265 Mt Pleasant Road. However, the developer has subsequently indicated that he is not happy with this name and has requested the Board to re-name this lane.

The Board **resolved:**

1. To rescind the resolution adopted by the Board at its meeting on 5 July 2000 “that the name Aspiring Lane be approved for a new right of way off Mt Pleasant Road.”
2. To approve the name “Craigieburn Lane” for this right of way at 265 Mt Pleasant Road.
