

## 8. STANMORE ROAD BUS STOP

At the Board meeting on 2 August 2000, the Board had heard representations from Mr Bruce Pengelly seeking the relocation of a bus stop situated immediately outside his property at 272 Stanmore Road, a property which he is redeveloping. The Board had asked the Area Engineer to investigate the concerns expressed by Mr Pengelly and to bring a report to the Board.

The report before the Board outlined the results of the investigation carried out at the request of the Board.

The Board considered this report and **received** the information.
