

## **26. TI RAKAU DRIVE – BUS STOPS**

The Board considered a report seeking approval for the installation of two bus stops in Ti Rakau Drive. This report was considered in conjunction with a tabled letter from N and D Austin expressing concerns and objections to the siting of one of the bus stops, which would be located immediately outside their family room windows.

The Board **resolved:**

1. That the Area Engineer be asked to consult the next property owner to ascertain if it would be possible to locate a bus stop outside this property in Ti Rakau Drive in the vicinity of its intersection with Kotuku Crescent.
2. That a bus stop be installed on the west side of Ti Rakau Drive commencing at its intersection with the north kerblines of Shearwater Drive and extending in a southerly direction for a distance of 15 metres.
