

**6. PARKS CAPITAL WORKS PROGRAMME 1999/00 AND 2000/01**

The Parks Manager provided the Board with an extensive report on the end-of-financial year position in respect of parks capital projects within the Board area during 1999/00.

Overall, a very satisfactory result had been achieved with 49 out of the 51 projects being completed as at 30 June 2000.

The Board also received a schedule of capital projects programmed for the 2000/01 year, from the Carmen Reserve planting (@ \$4,500) to the Halswell Domain Extension (@ \$1,000,000).

The Board **received** the information.
