

15. PROPOSED NEW ROAD NAMES, WIGRAM

Within the Wigram aerodrome site, a further stage of residential subdivision created new roads which required naming.

The Board **resolved** to approve the following new road and cul de sac names:

Corsair Drive
Mustang Avenue
Joe Burns Place
Hurricane Way

The applicant company has continued the theme of using the names of military aircraft, with one exception; Joe Burns Place recognises the name of a local identity, after a small existing road bearing the name was stopped recently.
