

8. **RICCARTON/WIGRAM WORKS AND TRAFFIC COMMITTEE
REPORT OF 27 JULY 2000**

The Board was in receipt of the outcomes of the Works and Traffic Committee meeting of 27 July 2000.

Officers from Transit New Zealand and the City Streets Unit were in attendance to discuss various major traffic projects including the Southern Arterial, and the Halswell Road/Halswell Junction Road/Kennedys Bush Road/Sparks Road intersection.

A request for speed humps to be placed in Wales Street to discourage speeding outside the kindergarten was agreed to in principle by the Committee; however, a city wide moratorium was in place, so the request was put on hold.

The Board **received** the report.
