

27. GRAFFITI – ACHESON AVENUE

The Community Technical Adviser provided information regarding the outcomes from a meeting with shop owners and community groups in the Acheson Avenue area with regard to graffiti and other issues. This information included short term remedies and medium to long term remedies.

The Board **resolved**:

1. That approval be granted for the immediate implementation of the short term remedies proposed in the report.
2. That the medium to long term remedies proposed be forwarded to the relevant Units for comment.
