

14. MAIREHAU HIGH SCHOOL – PROPOSED RELOCATION

A report from the Community Advocate for Burwood/Pegasus sought support for the proposal to relocate Mairehau High School from its present site in Hills Road to a site east of Marshlands Road.

Ingrid Stonhill expressed concern as to what would happen to the present school site. Anne Carroll expressed concern at the lack of demographics to support the proposal.

The Board **resolved** that the matter lie on the table until next month and that the Ministry of Education be invited to that meeting.
