

19. PAPANUI VILLAGE – HISTORY

Mrs Lorna Garden spoke to the board requesting funding towards production of a brochure about the early days of Papanui Village and to seek support for a heritage walk to be conducted in the area during Heritage Week.

The Board **resolved:**

1. That the Board make a grant of \$940 from 2000/01 Discretionary Funds to cover production costs of a brochure on points of historical interest in the Papanui area.
2. That resources be made available to the residents to continue their work in collating local historical information.
