

3. THE EASTERN ORBITER – BUS STOP CHANGES

The Area Engineer reported, seeking approval for proposed bus stop changes on collector and arterial roads resulting from the extension of the Orbiter bus service.

Clause 23 of the Board's report lists some associated bus stop changes on local roads approved by the Board under delegated authority.

The Board **decided** that the proposed bus stop changes on collector and arterial roads set out in the report be recommended for approval to the City Services Committee.
