

## 19. CENTAURUS ROAD TRAFFIC MANAGEMENT

The Board's approval was sought for the installation of signs at the various T-intersections with Centaurus Road between Colombo Street and Palatine Terrace.

The Board **resolved** that:

1. "Give Way" signs be installed at the following locations:
  - (a) Against Rossmore Terrace at its intersection with Centaurus Road.
  - (b) Against Remuera Avenue at its intersection with Centaurus Road.
  - (c) Against Holliss Avenue at its intersection with Centaurus Road.
  - (d) Against Sloan Terrace at its intersection with Centaurus Road.
  - (e) Against Landsdowne Terrace at its intersection with Centaurus Road.
  - (f) Against Major Aitken Drive at its intersection with Centaurus Road.
  - (g) Against Whaka Terrace at its intersection with Centaurus Road.
  - (h) Against Woodlau Rise at its intersection with Centaurus Road.
  - (i) Against Palatine Terrace at its intersection with Centaurus Road.
2. The proposed "no stopping" restriction not extend over the area of the site of the present bus stop by the Scout Den situated on Centaurus Road.
3. The Council be requested to address the evident duplication of elected member effort resulting from community board, standing committee and Council consideration of the location of bus stops, installation of "Give Way" signs and similar traffic controls.
