

## 5. SUPPLEMENTARY ITEMS

The Chairman sought approval to introduce supplementary reports on the following topics:

1. Public Artworks
2. Expected Outcomes of the Arts, Culture and Heritage Committee

The above reports could not be included on the main agenda because the information was not available at the time the agenda had been distributed. The reports could not be held over until the next meeting due to the time constraints with the particular matters.

The Committee **resolved** that the reports be received and considered at the present meeting.
