

9. EXPECTED OUTCOMES OF THE COMMUNITY AND LEISURE COMMITTEE

The Committee noted that it would be required to report to the Council in February 2001 on the main outcomes to be achieved by the Committee over the next year, year 2 and year 3. It would also report on what it intended to do differently from the past.

It was **agreed** that a seminar session would be held on 31 January 2001, 12-2pm, to further discuss these outcomes.
