

6. **ST JOHN INTERNATIONAL YOUTH FESTIVAL: JANUARY 2002**

The Committee **received** a report on an international youth festival to take place in Christchurch from 15-21 January 2002. The festival will be hosted by the Christchurch Regional Office of the Order of St John.

As a result of a partnership between the Christchurch City Council and St John's a "Global Youth Symposium Day" is planned which will bring together the young St John delegates and young people from Christchurch secondary schools and youth organisations. St John staff have indicated their intention to invite all Councillors to view aspects of the Youth Symposium Day.
