

5. FITZGERALD AVENUE – PARKING RESTRICTION

Officer responsible City Streets Manager	Author Lorraine Wilmshurst, DDI 371-1662
Corporate Plan Output: On Street Management	

The purpose of this report is to seek approval for the installation of a parking restriction on Fitzgerald Avenue between Chester Street and Kilmore Street.

The businesses on the west side of Fitzgerald Avenue were having difficulty with customer car parking. This section of Fitzgerald Avenue was all day parking and was regularly parked out by commuter traffic.

To help these businesses stay viable a P60 parking restriction has been put in place.

Recommendation: That the parking of vehicles be restricted to a maximum of 60 minutes on the west side of Fitzgerald Avenue commencing at a point 7.5 metres from its intersection with Chester Street and extending in a northerly direction for a distance of 65 metres.
