

4. DEPUTATIONS BY APPOINTMENT

Ms Cheryl Doig (Principal) and Mary Johnston (Chairperson, Board of Trustees), Fendalton Open Air School, attended the meeting and urged the Council to set aside the former library building for community/school purposes. They acknowledged the assistance provided by the Fendalton/Waimairi Community Board and suggested that the proposal to require a commercial rent might require further consideration.

The Committee considered the submissions from the deputation in conjunction with clause 1 of this report to the Council.
