

## 24. 2001/02 CITY STREETS ROADING PROGRAMME

The Information Manager for City Streets reported on the 2001/02 City Streets Roading Programme. Board members requested an update on the Briggs Road carriageway smoothing project. They also requested an update on the pedestrian lights at Springfield Road.

The Chairperson requested that the Papanui cycleway from Sawyers Arms Road to Blighs Road have some maintenance done on it as it was very untidy in places. She also advised that some of the residents were having trouble with youths there late at night. This could perhaps be referred to Papanui Community Watch.

The Board **received** the report of 2001/02 City Streets Roading Programme.
