

16. LYTTELTON MARINA

The Director of Finance reported on progress with the study of options for the Lyttelton Marina and sought approval to re-establish a subcommittee to work with staff on this issue.

The Committee **decided** that a subcommittee, comprising the Mayor, Councillors Austin, O'Rourke, Sheriff and Wright be established to consider options and make a recommendation to the Strategy and Finance Committee on issues relating to any Council involvement in the provision of Marina and public boat launching and associated facilities at Lyttelton.
