

2. URBAN PLANNING AND GROWTH BRIEFINGS

Briefings were provided by relevant staff members on some of the significant issues that fall within the Committee's terms of reference, covering:

- Urban growth and housing trends
- Urban development issues beyond the City Plan
- Urban growth and regional land transport strategy
- Future path Canterbury
- Eco villages

At the conclusion of the briefings, members of the Committee identified a range of issues which they considered could be addressed by the Committee.
