

1. REVIEW OF LOCAL GOVERNMENT ACT 1974

The Board considered the Government's Local Government Act Review Consultation Paper and associated documents. The Board **decided**:

1. That a report be requested on whether legislative change would be necessary in order for a representative from each Community Board to serve on the District Licensing Agency to consider licensing issues within a Board's area.
2. That the views of the Board on the Government's Local Government Act Review Consultation Paper be reported by the Chairperson to the Strategy and Resources Committee seminar on 13 July 2001.
3. That the Board consider preparing a submission on the review after viewing the Council's submission.
