

23. DEPUTATIONS BY APPOINTMENT

MR BARRY FLEWELLYN, SYDENHAM PHOTOGRAPHERS

Mr Flewellyn attended on his own behalf and that of adjacent business owners in this area of Colombo Street to express their concern at the problem caused by vandalism in terms of broken windows, bottles and rubbish. This is associated with the presence of young people and motor vehicles in this area especially on Friday, Saturday and Sunday evenings and Mr Flewellyn sought the assistance of the Council in providing no parking zones in this area to prohibit the stopping of motor vehicles between the hours of 8pm and 7am on Friday, Saturday and Sunday evenings.

Mr Flewellyn was thanked for his presentation which was considered in association with clause 21 of the agenda.
