

11. REVIEW OF THE RESIDENTS' ASSOCIATION FORMATION AND RECOGNITION POLICY

The Board considered a report detailing the outcomes of the review undertaken of the Council's support of residents' groups, including proposed changes to the existing policy and processes.

Jane Parrett and Lynette Ebborn, Community Development Advisers, were in attendance to speak to the report.

The Board **decided**:

1. That it be recommended to the Community Services Committee that the recommendations of the Review Team as outlined in its report, be endorsed.
2. That the Board's Community Services Committee consider the means by which recognised local residents groups can attend monthly Board meetings to raise and air issues directly with the Board.
