

## 2. DEPUTATIONS BY APPOINTMENT

### 2.1 Buckleys Road – Bus Stop

Darren Huddlestone, son of a resident of 37 Buckleys Road, addressed the Board about the concerns his mother and himself had about the proposal to extend the bus stop in Buckleys Road opposite Eastgate Mall.

He questioned why the bus stop had to be located outside his mother's house and spoke of the distress and concern it is causing to her. He commented that already people park over her drive and there is a problem with graffiti and a lack of parking facilities.

This clause also relates to clause 5.
