

4. FERRY ROAD BUS STOP

The Board considered a report from the Area Engineer Team Leader on a proposal that a bus stop in Ferry Road be repositioned.

The Board heard a deputation on this clause.

The Board **decided** to recommend to the Bus Stops and Shelters Subcommittee of the City Services Committee:

1. That the bus stop on the north east side of Ferry Road commencing at a point 9 metres from its intersection with Charlesworth Street and extending in a north westerly direction for a distance of 14.5 metres be revoked.
2. That a bus stop be installed on the north east side of Ferry Road commencing at a point 21 metres from its intersection with Charlesworth Street and extending in a north westerly direction for a distance of 13 metres.
3. That timing stops be situated outside non-residential properties, in particular, specifically in this case that they be sited outside Woolworths, Ferrymead and St Anne's School in Ferry Road.
