

3. AVON-HEATHCOTE ESTUARY/TE IHUTAI, MANAGEMENT PLAN UPDATE

A report from the Open Space and Water Policy Leader updated the Committee on the process towards meeting a resolution, that work proceed toward the development of a non-statutory management strategy for the Avon-Heathcote Estuary (the Estuary) and the environs using a public consultation focused process. The report included the Visions/Outcomes from the public meeting held on 9 June. It was noted that a further public forum was planned toward the end of July.

The Committee **received** the information.
