

4. PUBLIC PASSENGER TRANSPORT IMAGE AND BRANDING

On behalf of the joint (Environment Canterbury/Christchurch City Council) study management team, Messrs Stuart Woods and Dave Hinman attended to discuss the image and branding study project of the Christchurch Public Passenger Transport system.

Each Community Board was being asked to nominate members to collectively, form a consultative group for the study.

The Board **decided** that Paddy Austin and Neville Bennett (with Mike Mora as alternate representative) be appointed onto the consultative group.
