

8. THE STYX 2000 – 2040 COMMUNITY PLANNING FOR THE FUTURE

The Board received a report on the Wetlands Natural Asset Management Strategy for the Styx. The Board **decided** to recommend to the Parks and Recreation Committee:

1. That the Councils Waterways and Wetlands Natural Asset Management Strategy be amended to include the detailed strategy that has been developed from the process outlined in the report.
2. Plans for Capital projects will be presented to the relevant Community Board and Council Committee as appropriate.
