The Strategy and Resources Committee has held three seminars on 3 July, 13 July and 20 July 2001 together with the Chairpersons of the six Community Boards to consider the City Council's response to the Department of Internal Affairs Consultation Document.

Attached is a draft response for consideration by the Council in relation to the questions asked in the Consultation Document and also contains comments in Part 2 relating to various matters raised in the Consultation Document for which questions were not asked.

The draft City Council Response has been based on a LGNZ draft. On some issues the Council made additional comments and changes where this Council's position differs from that of Local Government New Zealand.

The attached draft does not deal with the Treaty of Waitangi issues which will be the subject of a separate recommendation to the Council at its August 2001 meeting.

- Recommendation:**
1. That the attached draft response be adopted by the Council and forwarded to the Department of Internal Affairs.
  2. That the Chairman of the Strategy and Resources Committee be authorised, in conjunction with the City Manager, to make any changes.

**Chairman's  
Recommendation:** That the above recommendation be adopted.

**CONSIDERED THIS 26TH DAY OF JULY 2001**
