

## 12. SHAW AVENUE SCOPE WOMEN'S BOWLING CLUB - SURRENDER OF LEASE

A report from the Policy and Leasing Administrator enabled the Board to consider an application from Shaw Avenue Scope Women's Bowling Club to surrender its lease over approximately 2,420 m<sup>2</sup> of Rawhiti Domain. The Board **decided** to recommend to the Parks and Recreation Committee:

1. That the Council accept with regret the surrender of the lease held by the Shaw Avenue Scope Women's Bowling Club over part of Rawhiti Domain.
2. That the Council convey sincere thanks to the Bowling Club for the services it has provided to the New Brighton women's sporting community for many years.
3. That the possible change of classification of part of Rawhiti Domain from Recreation Reserve to Local Purpose (Community Buildings) Reserve be discussed through the Management Plan process.
4. That a registration for proposal process similar that being undertaken for the former New Brighton Tennis Club site be undertaken once the classification issue has been resolved through the Management Plan process.
