

### 23. CYCLE CAPITAL PROJECTS - 2001/02

Alix Newman, Cycle Planning Officer, updated the Committee on the status of the cycleways capital projects for the 2001/02 financial year.

Details of major capital projects and status was provided and approval sought to continue with planning, design and consultation on the specific projects.

The Committee **decided** that the planning, design and consultation process for the Bealey Avenue and Annex Road cycleway projects including consultation proceed to recommended design.
