

## 28. MERIVALE CYCLE ROUTE

The Committee considered a report from Brent Ferigo, Cycle Planner, City Streets Unit, on the possible purchase of a property which could allow for completion of the last link in the Merivale cycle route.

The location and history of the cycle route and the current progress was detailed in the report together with details relating to the possible purchase of a property at 46 Leinster Road which was being offered for sale and could perhaps be used in a land exchange with the Ministry of Education in respect to Elmwood School to allow completion of a cycleway route.

The Committee **decided** after discussion that staff continue to steadily progress developing options to achieve a public cycleway linkage from Leinster Road to Aikmans Road for completion of the Merivale cycleway route and report back to the Council in due course.
