

9. WORKS AND TRAFFIC SAFETY COMMITTEE – REPORT OF 21 AUGUST 2001

The Board considered the report and various recommendations from the Committee and **decided** as follows:

9.1 Creyke Road Living Streets Presentation

Information received

9.2 No. 19 Fendalton Road – Proposed Landscaping

1. That the plan as modified be staged.
2. That the plan be distributed for public comment and further that the planting be carried out provided that the results of the consultation are favourable.

9.3 Holmwood Road Kerb and Channel Renewal (south-side)

The Board was advised that subsequent to the Committee meeting on 21 August, further feedback had been received from one of the business owners and a local resident on aspects of the proposed plan and this was recently outlined to several Board Members.

The outcome of these discussions resulted in a proposed modification being made to the intersection layout by removing the proposed kerb extensions.

Having received this updated report and an explanation of the intended change by way of a modified plan, the Board **decided**:

1. That it be recommended to the City Services Committee that the work in Holmwood Road be approved for construction as shown on the further submitted plan.
2. That a Give Way control be placed against Helmores Lane at its intersection with Holmwood Road.

9.4 Avice Hill Reserve – Proposed Improvements

1. That the concept plan be approved and presented to a further public meeting to obtain feedback.
2. That the Property Unit investigate the classification of the Avice Hill Reserve and the adjoining parcels of Council owned land.
3. That funding sources needed to complete the redevelopment be investigated by staff and reported back to the Board.

9.5 New Zealand Cycling Conference, Christchurch 21 & 22 September 2001

That Dianna Bradley and Pat Harrow be appointed to represent the Board at the forthcoming New Zealand Cycling Conference

9.6 New Zealand Recreation Association Conference, Christchurch 12-14 September 2001
